Memorandum

To: All Community Support Worker

From: Joy Ellis-George, APRN, PMHNP-BC, CCM, VP of Operations

CC; Personnel file

To continue to provide exemplary care under rule 34 while maintaining ethical boundaries, maintain personnel and client safety the daily workflow must entail the following:

- Follow as outlined the COVID-19 protocol as designed by Dedicated Care Health services and modified on 08/24/2020
- Not provide services through another agency on the same day that services are provided for a Dedicated Care Health Services Consumer.
- Not provide or offer clients monetary or other compensatory rewards/incentives for linking with Dedicated Care Health Services.
- Enter community support notes by 11:59pm on the date of service; immediately if documented service is related to an unusual event.

I have reviewed and signed the above memorandum

I have done so of my own free will

I understand that I have the right to refuse to sign this memorandum, but know that doing so may result in the termination of my contract to provide services for the consumers at Dedicated Care Health Services
